

Skilfully threading  
your career

To start as early as possible, we are looking for a person to join our quality assurance team at our Lexington site:

## Extrusion Operator (m/f)

### Your tasks:

- Run a monofilament extrusion line
- Run all necessary quality checks

### Our expectations:

- High School Diploma or GED (reading, writing and basic mathematics)
- Ability to stand, walk and run, to lift up to 100 pounds and to work in extreme heat
- Six month extrusion experience required

### We offer:

- Versatile activity with the possibility of personal development
- Appropriate remuneration

If we have aroused your interest, please send your application documents, by post or by e-mail.

Hahl Inc.  
Rennette Pee  
126 Glassmaster Road  
29072 Lexington, S.C.

HAHL INC. is a member company of the globally operating Perlon Group.

In addition to its international sales presence, the Group also operates seven production plants on the continents of Europe, North America and Asia and is thus flexible and future-oriented. The Perlon Group is the world's largest producer of synthetic filaments and has a turnover of more than 125 million euros with approximately 700 employees.
