Dear customer,

BBC and Perlon Group would like to announce the termination of the Joint Venture "BBC-Hahl Pedex Filaments Ltd." located in Sejong-city, Korea. Both parties decided together that the constantly changing market needs a more flexible and active approach.

Even though both parties made the decision to terminate the Joint Venture following their own strategic approach we will keep a close partnership and promise to you the excellent service and products as usual from both of us.

In case of any questions, please do not hesitate to contact us any time.

Sincerely,

Florian Kising
